

Ice Dog LLC business description

Ice Dog LLC currently operates 2 lines of business.

The 1st business is a Technology Consulting business for the financial services industry. In this line of business Ice Dog works exclusively with InvestTech Systems Consulting, based in Los Angeles CA. In this capacity the owner of Ice Dog, David Wachtel is the Practice Manager for the software group at InvestTech Systems. He has worked in this role since 2011. All payments from InvestTech Systems are made to Ice Dog LLC. There is currently no PayPal activity for this line of business.

In addition Ice Dog LLC, owns and operates a website WeUsePP.com. WeUsePP.com is service and web site offered to PayPal customers to purchase gift cards using their PayPal accounts. Our website is hosted on Shopify at www.weUsePP.com. All the transactions for this business are done through PayPal.

The gift cards we sell are from well-established major vendors such as Pizza Hut, Domino's, Panera Bread, Amazon etc.

Approximately 50% of the gift cards we sell are physically shipped and tracked through completion through carriers such as UPS and USPS. We also send gift cards through email where the full lifecycle of the card is tracked from order placement through to receipt of the card.

We deploy a comprehensive screening and fraud protection program and technology through the use the Subono fraud protection solution.
